PROFILE

I am an energetic, engaged and curious guy who is a fast learner and someone who always wants to evolve in my career and in life.

I enjoy having responsibility as well as working together in a team. I am very social and skilled in seeing and understanding other people's needs.

I like doing adventure activities during my spare time, such as hiking, camping and climbing. I am a highly active person.

EDUCATION

2021 - Present

Front-end development

Jensen YH, Gothenburg

Two years education with focus on learning front-end development. The education also contains excommunication, UX/UI, Agile project methodology, consultant and business knowledge

2017 - 2019

SMO - Skydd som olyckor (firefighter education)

MSB, Revinge, Skåne

A two year education to become a full time firefighter.

2014 - 2017

Gymnasium: Barn- och fritidsprogramet

Alströmergymnasiet, Alingsås

This education partly contained children's learning and growing process, health pedagogy and swimming teacher training.

EXPERIENCE

2019 - 2021

Total of 9 months as a firefighter

Over the period of three years I worked as a full time firefighter every summer as a summer substitute.

2019: Storgöteborgs räddningstjänst,

2020: Mälardalens brand och räddning

2021: Södra Bohusläns Räddningstjänstförbund

2015 - 2017

Parkour trainer

I was parkour trainer for both kids and teenager during my spare time in my teenage years.
